

BUILDING A SAFER IOWA, ONE SOLUTION AT A TIME

Safety and service are achieved when public safety and the community alike work together. Our host of integrated technology solutions make up one of the industry's only end-to-end ecosystems and provides access to vital information, keeping everyone safer in the moments that matter. We're dedicated to making everyone in Iowa [safer together](#).

WE MEET YOU WHERE YOU ARE, NO QUESTIONS ASKED

Wherever you are on your technology journey, we'll meet you there. Explore the technology built to adapt to the unique needs of your agency.

MOBILE VIDEO SOLUTIONS: Every incident, every encounter. Having an objective, unbiased witness matters. From body-worn police cameras to in-car video to license plate recognition, our mobile video solutions are the first-hand perspective you can rely on to provide a complete record of any incident.

FIXED VIDEO SOLUTIONS: Today, your security is measured by how fast you can identify what's happening at any given moment and how quickly you can pinpoint when something out of the ordinary is occurring. Our solutions help you find and share critical intelligence faster, so you can make an informed response every time.

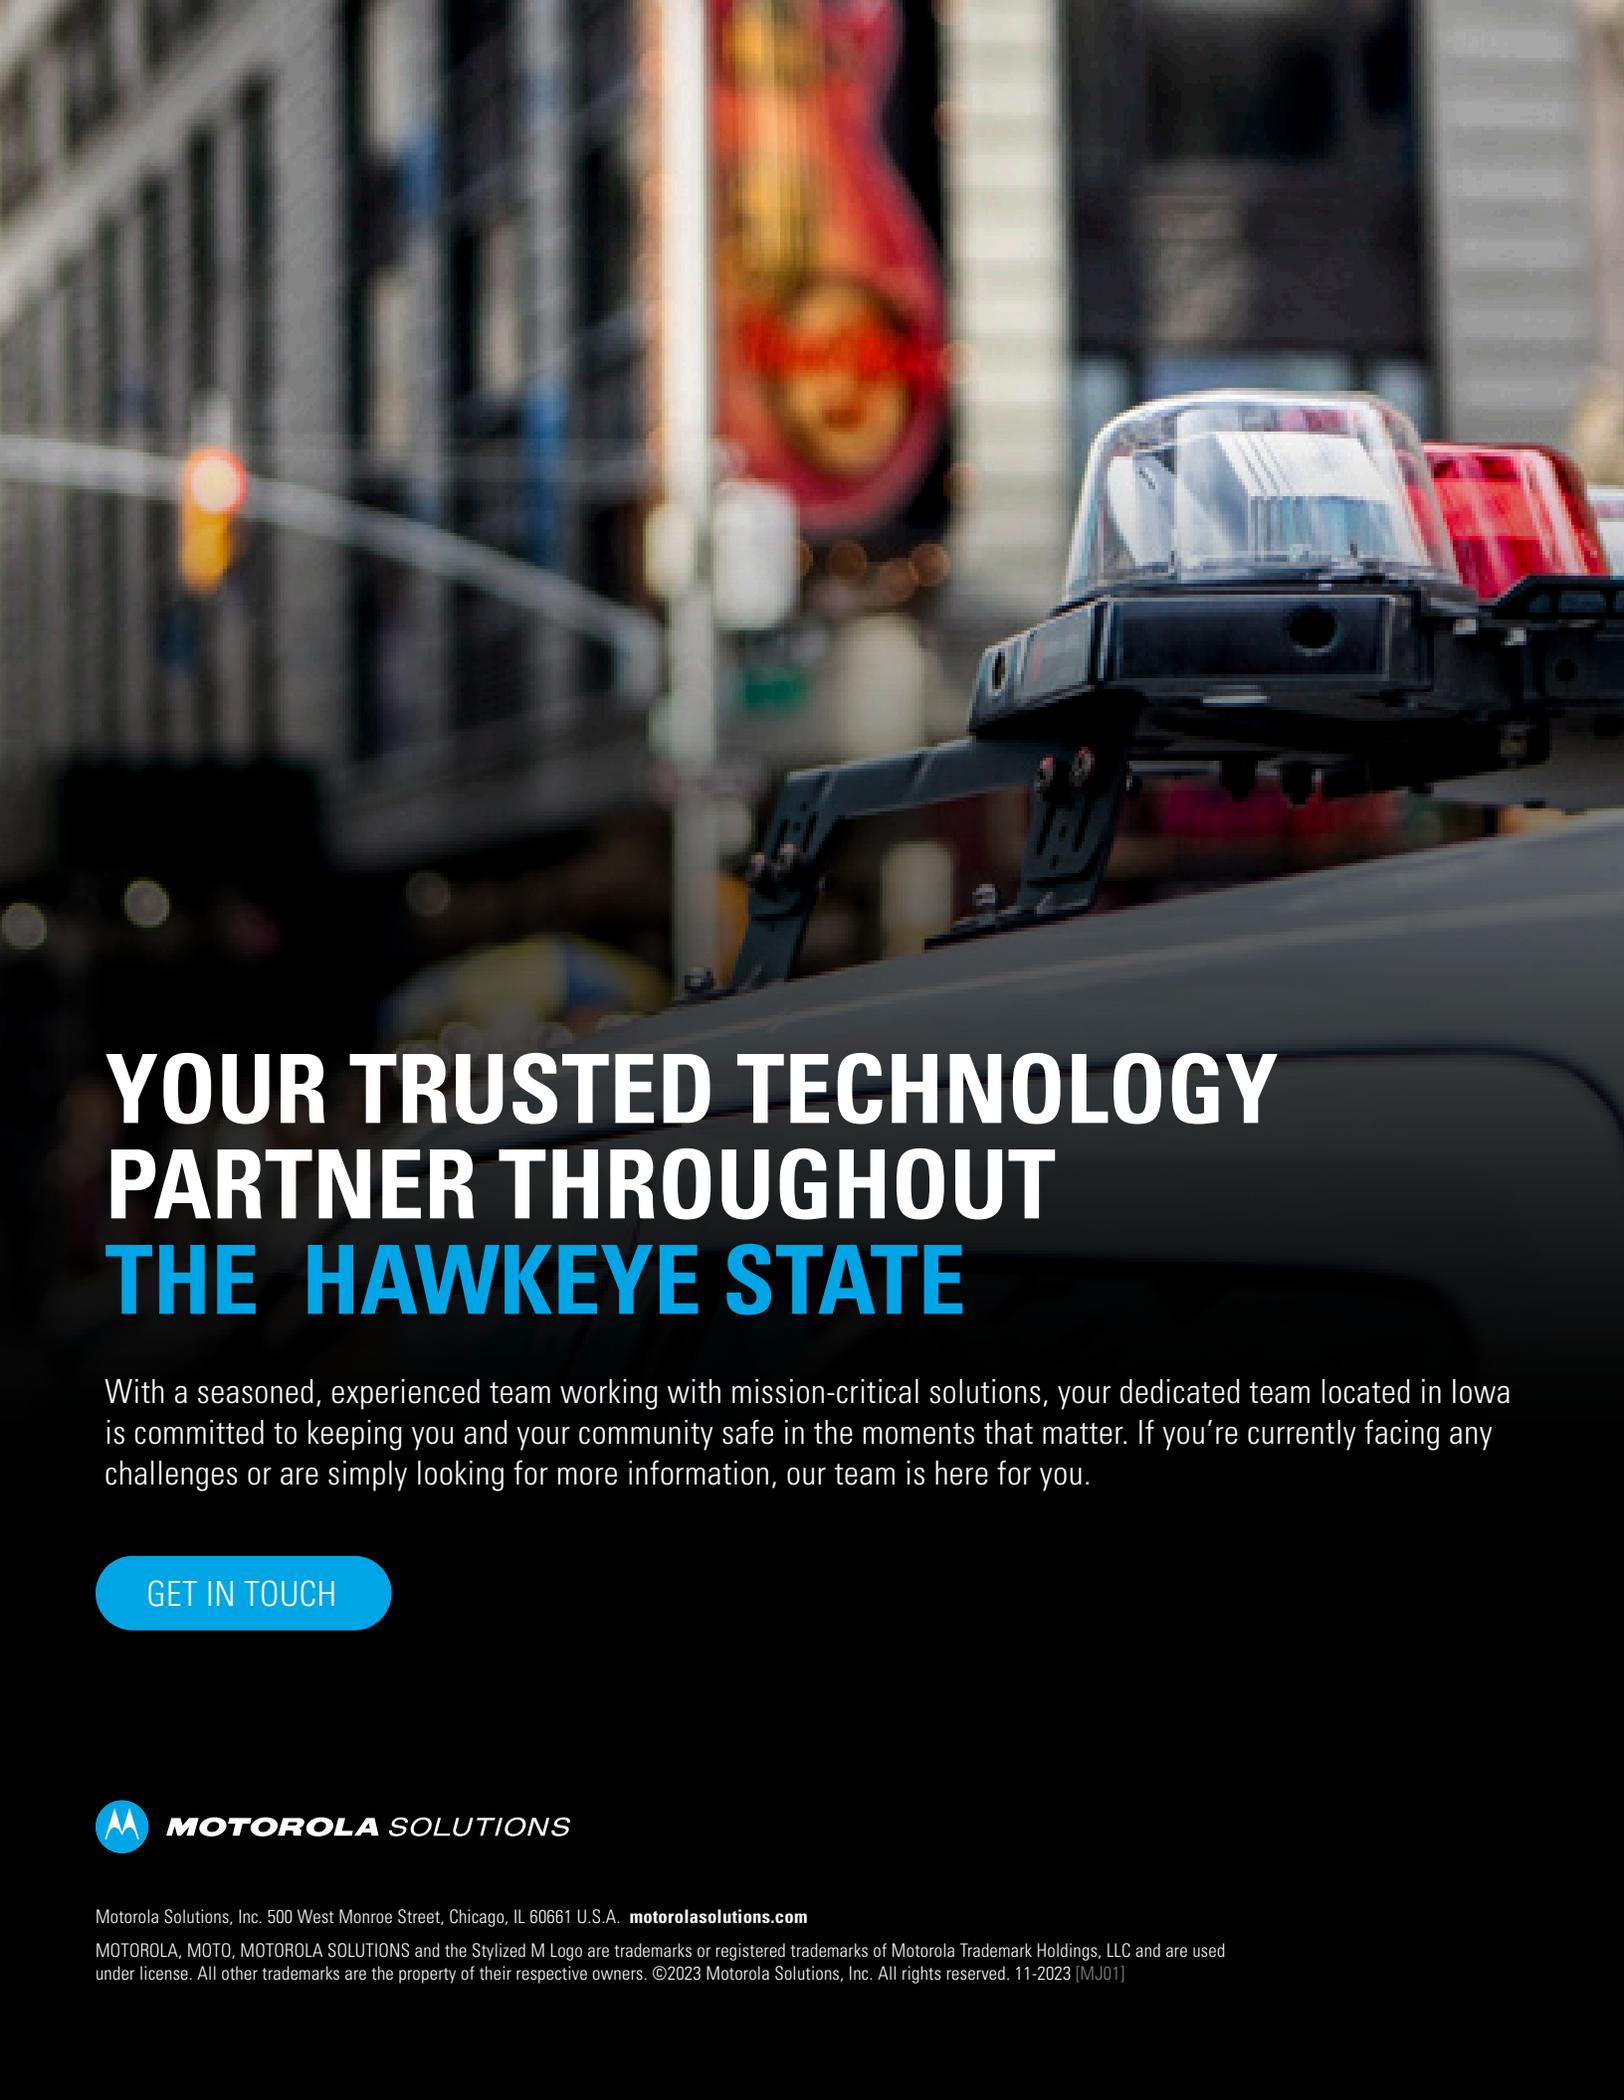

COMMANDCENTRAL AWARE (CC AWARE): CommandCentral Aware strengthens every response with real-time cloud-based situational awareness, for a common operating picture combining map-based intelligence plus streaming mobile and fixed video.

NEXT-GENERATION 9-1-1 Our suite of NG9-1-1 solutions allow you to help telecommunicators to stay agile and confident while ensuring 9-1-1 integrity. As a strong industry leading, our team is committed to your success and the NENA i3 standards currently in place.

COMPUTER-AIDED DISPATCH SOFTWARE (CAD) Make your police dispatch software more efficient and responders safer with incident-based talk groups and a singular, real-time view of 9-1-1 data and locations of callers and first responders.

YOUR TRUSTED TECHNOLOGY PARTNER THROUGHOUT THE HAWKEYE STATE

With a seasoned, experienced team working with mission-critical solutions, your dedicated team located in Iowa is committed to keeping you and your community safe in the moments that matter. If you're currently facing any challenges or are simply looking for more information, our team is here for you.
